

EXQUISITE SERIES

Beyond Imagination

EXQUISITE SURROUND SERIES

This beautiful wooden speaker has been developed for home cinema use and can be placed on-wall or partly in-wall or even on a beautiful stand. When using the in-wall option, the back-part of the speaker disappears in your wall.

The inside of the cabinet uses patented Exquisite technology minimizing air born resonance. All Exquisites use the recently developed Kharma Connectors, guaranteeing a negligible loss of information.
